

## QUILTERS BY THE SEA -VIRTUAL WORKSHOP

Saturday, November 14, 2020 – 9:00 am-3:30 pm PST

### APPLIQUE SAMPLER

In this workshop you will learn the various methods of appliqueing which can be used in a quilt setting, pillow, placemat, table runner, wall hanging or a sampler. The workshop will cover every aspect on how to construct a quilt sampler. Methods covered will be by machine and by hand. By machine you will learn, satin stitch, blanket stitch, decorative stitches, and invisible stitching. By hand you will learn the applique slip stitch, and blanket stitch. This is a good workshop to figure out which applique method you prefer and will use over and over for all you appliqueing.

#### **The sampler consists of the following:**

**Flower Pot**, machine satin stitching and raw edge applique

**Birdhouse**, more sating stitching, machine blanket stitching, and adding accents

**Tulip**, machine invisible stitching with monofilament thread

**Three tulips and two birds**, fusible hand applique

**Vine** appliques on the borders, invisible applique your choice by hand or machine

**Corners**, reverse applique

**Concluded** with instructions on how to finish the quilt
