

# Quilters by the Sea

**Volume XXVII, Issue 10**

**February, 2021**

Dear Fellow Quilters,

We keep moving forward... most of us are waiting for the vaccine. In the meantime, **we have to keep busy and safe!!!** Fortunately, we can keep busy sewing and we have lots of Community Quilt kits that need sewing ready for pick up at Carollynn Machado-Guarino's house, or other arrangements can be made. We are here to support each other. We have another member who has Covid

We had a great speaker last month. Latifah shared some ideas on modern quilting, curves and designing. Although I am not into Modern Quilting, I got some great ideas to try out – expanding my horizon and I hope you got some ideas too. Over 50 people were at our Zoom meeting. Further – we had a free workshop on Saturday introducing Cathedral Windows taught by Kate Weber with 17 people present.

- 1) In February, we have a speaker from Australia - it will be morning there when we have our meeting at 7PM. Feel free to invite your friends.
- 2) We also have a half day workshop this month hosted by Linda Monsen on 2 cute pincushions. You must sign up ahead of time – cost is only \$ 15 for a very nice kit!!! You can hand sew these!!!
- 3) Block of the Month is back!!!! I made my heart block and already 2 Irish chain blocks for March!! These are quick and easy way to use up those odds & ends of material to make these!
- 4) Monthly Raffle for a beautiful wall hanging (and it includes the hanger!!!)
- 5) Outside Quilt Tour is coming up April 24! - **NEED ONE MORE LOCATION!!!**

6) Membership is requesting your up to date information and dues \$35 for the year!!!  
You can get information about all these on our website  
We have such a hardworking Guild!!! – I am very proud of you all hanging in there and  
....supporting our Guild and each other!!!

Yours in quilting and washing hands and ❤️❤️❤️❤️😬

Thanks to our members, Community Relations has over 55 quilts collected and ready to donate as of 1/19/21 and many almost ready to go.

Item One: Our Byways require a yearly review of the charities to whom we donate those quilts and other items. During February and March please submit any suggestions you have for charitable groups you think would benefit from our efforts. If you want to be a part of the Review Committee please let Carollynn know via e-mail.

Item Two: Carollynn's Garage is now officially open for business. Drop offs and Pick Ups. Come get fabric, kits, and quilts in progress. We have a growing selection of fabrics. If you want to make a quilt from your own design please call ahead so boxes can be pulled by color, making it easier for you to find what you need and want.

Item Three: January's Community Relations Show and Tell is coming in February (Sorry about that), along with additional pictures.

# HAPPY BIRTHDAY!

**Pam Plakos & Lyndell Darby**

We think that all this stay at home business has given all of us time to look through all the magazines, books, and patterns. We will take any and all of those items you want to give to another “home”. So hold onto those items and bring them to us whenever we can all get back together.

Stay safe and keep quilting...

We now have a button on the home page of our website for visitors to join us at our Zoom general meetings on the second Thursday of the month. Let a friend know they can join a guild meeting if they would like to see what we do on Zoom.

By the way, **Acacia** has a [Be Our Guest](#) button as well. During this pandemic, click their [button](#) and join their zoom meetings. They are free and they are the first Thursday of the month.

## **Sandy Carreon**

Well, I just watched the swearing in of our new Vice-President and President. This is a new year with new leadership. We had a wonderful meeting in January with Latifah Saafir. If you were not able to join us I hope you will join us in February as we welcome Irene Blank, zooming all the way from Australia, telling us about her quilting journey. Please set your alarm or whatever you need to remember this meeting February 11, at 6:30 PM. As a further enticement I have a bunch of Australian fabric that will be a door prize for someone who attends this lecture. You can invite your friends, if you can send in a \$5 donation for each person, it would be gratefully accepted (but is not necessary). Then please send their email address to our membership chair or the QBS email and we will make sure to put them on the list (this works better if they can make sure their name is on their zoom account when they log in-but don't worry we can change that if needed also with our fabulous zoom techs). And speaking of zoom techs, if you don't know how to zoom please reach out to Dr. Deb or Brandi Kelly-Contreras and they will make sure you get up to speed and can join us. Come to the meetings for fellowship and lots of fun.

**This is the Australian fabric Sandy is offering for the door prize. Looks like a good deal for only a voluntary donation of \$5.00. Send in your donation to Sandy. You will find her address in the current roster.**

This month, we have Irene Blanck from Australia with her quilting story and trunk show. Won't it be exciting to see a quilter and her quilts from halfway around the world? See her work at [www.focusonquilts.com](http://www.focusonquilts.com) to Instagram #focusonquilts

In April we will have Beth Helfer from Pepperell, Massachusetts with her Trunk show- 'Oompah' accordion HST's (a fascinating and fun new way of making scrappy half square triangles). Her website is [www.evapaigequilts.com](http://www.evapaigequilts.com), and her Instagram is #evapaigequilts.

## OOMPAAH!

Jazz Up Your Scrap Quilts With the Accordion Sewn HSTs™ Method

Beth Helfer

### Trunk Show - "Oompah! Accordion Sewn HSTs™"

What happens when you have a designer who not only wants to be as scrappy as possible but also hates wasting fabric? Well, all sorts of things, because that's pretty much the definition of scrappy. But I took it one step further, and figured out a way to create HSTs that don't have a twin, and waste no fabric, by sewing HSTs in "accordions." Add another step, and you can sew the blocks for an entire quilt in individual accordions that come together almost like magic. It's the coolest thing I've ever come up with (if I do say) and you'll see the quilts from my book "Oompah! Jazz Up Your Scrap Quilts With the Accordion Sewn HSTs Method" plus a few surprise treats. You'll want to pick up your accordion and join the oompah sensation!

May will bring us Karen Brow from Carlsbad with her talk “Movin’ On, the Magic of Movement in Quilts.” [www.javahousequilts.com](http://www.javahousequilts.com), [#javahousequilts.com](https://twitter.com/javahousequilts)

## ***Movin’ On***

### **The magic of movement in quilts**

Why should we worry about creating movement in our compositions? Interest. While color, pattern, and workmanship create beauty, movement creates interest. It’s a guaranteed “wow factor” and adds certain sophistication. We can create it using appliqué, adjusting a composition, incorporating asymmetrical shapes, and unique border treatments. In writing patterns for over 20 years I’ve seen how movement in a composition absolutely draws people in. I’ll show you lots of unique ways to create it often with a bit of humor that seems to just delight.

I hope everyone will continue to support and renew their membership so you can enjoy the new speakers we have lined up for 2021.

A helpful hint is to set your alarm to alert you on the day of our meetings. If you need help with zoom or would like a reminder text or phone call before the meetings you can contact me, I’d love to see more of you at our guild meetings.

## 2021 Block of the Month

Kate Weber

I have an idea that may entice folks to participate. (Warning a brain fart: could be genius idea or a real stinker! LOL)

this is

Have a monthly block pattern published in the newsletter for members to download and print. (Can be mailed to those who need it.)

Members make the block and mail it/drop it off before the next guild Zoom meeting. For every block made, the maker gets a ticket. At the meeting, we pull a name and that person gets all the blocks that have been made. [If there are lots of blocks, divide them up and pull that many names.] Additional blocks each get an additional ticket.

People participate for the months they feel like it. If they don't want to, no sweat.

For fund raising purposes, ask for \$3/month to be eligible to participate in the drawing for that month-if no fee included, we keep the block for CR quilts. Or a flat rate of \$10/year to be "Rockin' the Block." [Too corny? Probably] The money can be included with the block when mailed or dropped off.

Here's another part of the brain fart: the blocks could be tied to the speakers' topic the month before, or a holiday for the month when the blocks will be drawn. For example: in January newsletter ask for valentine related blocks: could be hearts, red/pink fabrics, etc. After the Cathedral Window speaker, blocks would be mini-cathedral windows that can be joined together.

I just have these thoughts running around in my brain. What do you think?

SO... To quote President Elect Biden, "Here's the deal..."

BOM is strictly voluntary on a month by month basis, members sew a block based on a theme or pattern published in the newsletter. Blocks are dropped or mailed to Kate Weber by the Wednesday BEFORE the Zoom guild meeting (address on member roster).

Include the fundraising fee (\$3/month, one time \$10/year) to be eligible for drawing. Blocks received w/o fees will be part of the drawing. If you want to support Community Relations, then put that information with the block, and those blocks will not be included in the drawing and will be forwarded.

## Block of the Month (BOM)

Kate Weber

On your mark, get set, GO!

All blocks will be 10½" raw edge squares (10" finished).

**FEBRUARY** – Theme: Valentine's Day Squares

Cut: six 3" squares in heart colors (scrappy is fine!) and two 3" squares of background

Half Square Triangles (HST)

cut: four 4" squares heart colors and four 4" squares of background, make: eight HSTs and trim to 3" squares

Assemble with ¼" seams as shown in photograph

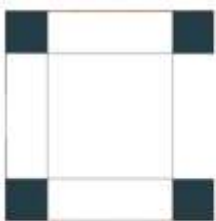

*Optional:* include extra background fabric with your block so the winner(s) may assemble like the photo. Do not attach this fabric.

BLOCK OF THE MONTH – MARCH – Scrappy IRISH CHAIN

Kate Weber

Any colors or monochromatic – your choice, and white.

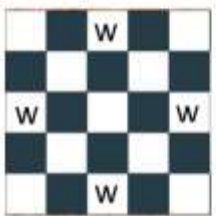

This is a "two-fer" block (10 ½" x 20 ½"). You will construct two different block and join them.

Part A

Cut: one 6.5" square white  
four 6.5" x 2.5" rectangles white  
four 2.5" squares color

Assemble as shown in picture.

Part B

Cut: four 2.5" squares white  
21 2.5" squares scrappy/color

Assemble as shown in picture.

Make sure outside center squares are white.

Join A and B blocks.

If you submit your quilt photo, it will be published in the next issue. Also, if you would like to share a quilt you have finished recently, or a work in progress please send the photos to [nhjordan@msn.com](mailto:nhjordan@msn.com) with show and tell in the subject line and your project will be published in the July newsletter. Try to get them in by the 20<sup>th</sup>. Thank you to all who contributed, keep them coming for next month also. And now, contributions from our busy members.

Quilters By the Sea (QBS)

### Audit for the Period Jul– Dec 2020

The following QBS Audit is in accordance with documented procedures based on the QBS By-Laws as amended in November 2016. Due to the COVID-19 pandemic, the guild in-person meetings have been suspended for the time being due to a “stay at home” mandate. The audit is usually done quarterly but this audit covers a 6-month period.

The QBS Audit for the period of July - December 2020 substantiated the approved Budget of Revenue and Expenditures for 2020 have been updated monthly and presented to the QBS Board as required. All Income and Disbursement requests have been documented and have the requisite signatures.

The audit for the period July - December 2020 indicated that all expenditures greater than \$200.00 were approved by the QBS Voting Membership. There were expenditures greater than the \$200 threshold and were approved by the QBS Board previously.

Accounting Period	Number of Memberships (New or Renewed)	Cumulative Memberships for current Fiscal Year	Number of Memberships (New/Renewed) for other than current Fiscal Year	Price per membership (full yr)	Total Income Cumulative	Membership Revenue to Date	Shortage/Overage
Jan 1 - Mar 31, 2020	93	93	0	35.00	\$ 3,220.00		
Apr 1 - Jun 30, 2020	6	99	0	35.00	\$ 3,430.00		
(Prorated mbrship fee (\$17.50) for New/Renewing Mbrs)	2	101	0	35.00	\$ 3,430.00		
(Prorated mbrship fee (\$17.50) for New/Renewing Mbrs)	1	102	0	35.00	\$ 3,412.50	\$ 3,412.50	-
<b>NOTE: President does not pay membership fee during tenure. This accounts for the difference of \$35.00</b>							
Pro-rated membership fee for Jul - Dec is \$17.50 and is reflected in total cumulative income.							

The QBS Audit for the period July - December 2020 indicates there were no payments to guild members for work/time or services as stated in the By-Laws. There have been payments provided to various guild members for expenditures allowed as described in the By-Laws such as reimbursement for Hospitality supplies but no additional remuneration was provided for time or services.

The QBS Audit for the period July - December 2020 shows there is no one receiving the newsletter by mail. All contracts executed included the vendor, date, purpose, terms, amount, quantities and any required QBS Board approval. The Treasurer’s binder contains QBS Approved Budgets and bank statements for the Wells Fargo checking account and Money Market Accounts.

The QBS Audit for the period of July - December 2020 included donations to the following charities which the guild supports. There were also monetary donations from the guild which are detailed in the checks near the bottom of this report.
