

Quilters by the Sea

Volume XXVIX Issue 4

August, 2022

Dear Quilters,

I lost a dear friend and mentor when Lori Ramsey passed away in mid-July. Lori was always ready when I needed something (a president for a third year because of Covid, yards of face mask elastic(!), participation in 'my' round robin, cases of water for the 2019 show, and sons willing to do whatever she asked- like setting up their 2021 Quilt Tour site; endless giving and support). She also modeled for me an open, receptive and caring approach to others, something I know I do not do well. I will miss her terribly as will our guild, Acacia and Southern California Council of Quilt Guilds. There is a hole where she once was among us.

It's August, our "dark" month. As Program and Workshop VPs begin to plan for 2023 the question came up (from me, I admit) "Why doesn't QBS meet in August? Why don't we meet for guild and workshop?" I thought that Arbor Road Church was closed simply this month. I found out, that's *not the reason!*

When the guild's summer retreat was originally organized, it fell during the week of guild and workshop meetings. Many members attended the retreat, including many of the movers and shakers, so a decision was made to just go dark for August.

Fast forward to now. The retreats have been subject to calendar 'creep' and now are scheduled for the week prior to QBS's meetings. It was clarified at the last board meeting that the church *is available* for guild and workshop meetings in August. Our 2023 calendar will reflect those additional dates.

September is election month! I'm very happy with the volunteers that are on our board and work diligently to make our meetings work well. I'm hoping that they will all be able to continue in their current jobs. However, members are moving away, even out of state in some cases! If you are interested in any position, please let Dawn Lindelin, our Parliamentarian, know. She organizes the nominations and voting slate. Don't want to jump into the deep end of the pool? Check out the last page of the bulletin and find an **OPEN** job that needs filling. I started small (Show and Tell) and now look at me! LOL!

Yours, *Kate*

****We want your quilt pictures!****

One of the best things about being in a guild is seeing all the terrific things our members have made. Please be a "Showoff!" Send photos in an email to both Newsletter (Nancy Jordan) and (Dawn Lindelin) Website and include the following: your first and last names! (Please, we have 3 Sallys and lots of Lindas!) Include a short (5 sentences max!) story about each item, or collection of items, as to why you made it, or chose those colors. Was it a workshop? Who is getting it/is it going to Community Relations? Inquiring minds want to know. Please use JPEG format. Contact information for Dawn Lindelin and Nancy Jordan is in the roster.

Travels and Suggestions by Barbee Tidball

In June I traveled east to Utah and this month I'm heading south to San Diego. In Bluff, Utah we checked out the Bluff Fort Historic Park which is operated by local the Mormons. The 1880 founding of Bluff was by a group of Mormons who created a hole in the rock to bring people, animals and wagons through the red rock to settle Bluff. The historic park has replica displays showing life at the time and some very delicious "homemade" ice cream" made on site.

Also in Utah I visited Canyonland Quilts in Moab, Utah, www.canyonlandquilts.com. The shop carries (and does online orders) for a large variety of fabrics. I thought of guild members when I saw fabrics featuring motorcycles, campers, trucks, and western themes.

Between now and October 1, 2022 I suggest a trip to San Diego. Visions Museum of Textile Art, 2825 Dewey Rd., San Diego visions@visionsartmuseum.org has three exhibits that guild members would enjoy. Up Close & Personal is an exhibition featuring work by quilt artists who have served or are serving as President of Studio Art Quilt Associates, Inc. (SAQA). Quilts on display through November 12th represent their talents.

Where Light Enters at Vision is by Doshi and features her textile dyeing, artwork and wearable art designs. The designs are stimulated by plant forms using a creative dyeing techniques and color palettes. This exhibit on through November 5th.

Symmetry & Surprise: The Art of Paula Nadelstern, is showing some amazing quilts based on the artist's interest in kaleidoscopes.
