

## Disappearing 9-patch Tutorial

Lay out your blocks with the focus fabric in the center and the other fabrics as shown. Stitch together using an accurate  $\frac{1}{4}$ " seam. Contrast fabrics can match or be different

Find the center of the block and cut through the center vertically and horizontally

Rearrange cut pieces as shown, by swapping the upper right and lower left corners. Stitch 4 pieces back together using a  $\frac{1}{4}$ " seam.

Yippee!! That's it!
