President's Corner By Kate Weber

Congratulations to our incoming 2027 guild officers. Please do all you can to support our elected and appointed officers. They volunteered for these jobs, and every member should find a way to contribute. It's a great way to meet some really terrific folks.

I think writing these "messages" is my least favorite part of the president's position. I'm not witty or wise. I don't know what to write, so welcome to my hodgepodge of this'n'that.

- The guild will be hosting a quilt show or tour in 2027. We're counting on you to make this a success.
- Can you be the Block of the Month coordinator? Members like it, but who will do it for 2027?
- The fundraising interest group will be meeting this month. Is it possible to make our base income permanent? How? [Covering rent and storage would be greatly appreciated.]
- Should Open Sew workshops charge a fee? We pay for the space rental.
- I've had a few members say our meetings aren't interesting. How do we change that?
- Do you know that August is dark because, way back when, most of that board signed up for a retreat and were going to miss the guild meeting? So, they cancelled it. It became an annual thing, and QBS became 'dark' every August. How important is it to you? Maybe December becomes our 'dark' month, and we meet in August, or dark in August and December? Your thoughts?
- I want to participate in a monthly mystery quilt. Will someone take charge of this?

Beware! I plan to approach members and ask you to make a support commitment.

This is our final structured workshop month for 2026! If you haven't joined one yet this year, now is the time to sign up. Why? Come and socialize with members, share sewing advice, and simply enjoy being in a welcoming stitching place.

Have a boo-tiful season!

Special Points of Interest:

- **Next Board Meeting – September 29**
- **Next General Meeting – October 8**
- **Congratulations to our new officers.**

Holiday Party By Kate Weber

The holiday party has been rescheduled from December to November. The evening will begin with a potluck dinner at 6:30 p.m., followed by brief officer reports and presentations about how the charities we support serve people in our communities.

Can you help make the tables more festive by creating one to three small centerpieces? Containers will be available at the October meeting.

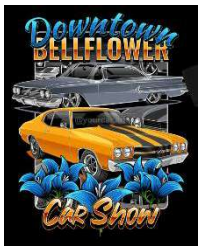

Programs By Theresa Vine

We are pleased to have Zina Clarke as our presenter this month. Zina is a "local girl makes good" in Southern California quilting circles. She has written several patterns; Helena, using the Stripology(R) tool, is one of them. "I love all types of quilts, but gravitate toward modern and contemporary styles." Visit her Facebook page at Zina Hull Clark

It is very possible to finish a table runner at the workshop! This does not need to become a UFO.

Bellflower Car Show By Kate Weber

The Bellflower Car Show was a success! We sold lots of Opportunity Quilt tickets. Several 'quilty' items sold, giving us some additional income. Hooray! Thank you to everyone who set up or took down the booth, tables, and hung the quilts. A shout-out to those who sold tickets and answered quilting and guild questions from show visitors.

Free Project

If you find a free project online that guild members might enjoy, please send the link to quiltersbythesea@gmail.com. Thank you.

Potholder with lid-handle slot. Sorry, this is a Facebook video – you might need a Facebook account to view it.

https://www.facebook.com/watch/?ref=saved&v=1767605867918906

Rush to make this – you might need it for next month's Potluck.

The lady in the video made the handle opening about 1.5". The handles on my pots are round, so this would be okay. However, the handle on my crockpot is over 5". If you want to make these for the boutique for next year's quilt show, I suggest you make the handle opening at least 6" to accommodate a wide variety of handles.

Hospitality

Joyce had to step down. Until someone steps forward, members need to **bring their own beverages to the guild meeting**. We'll try to provide ice, cups, plates, and napkins.

Please bring snacks for our next general meeting **if your name begins with T-Z**. Extra goodies are always welcome.

Sew So Saturday by Carollynn Machado-Guarino

Come and enjoy sewing, knitting, or any hand or machine work you would like to do. No obligation to work on any guild project. Shop from our wall of free fabric with smaller and larger pieces. Drop by with a charity donation, fill out a ticket, and say howdy.

Saturdays from 9 am to 5 pm

10/3, 10/17, 10/24

You can find Carollynn's address in the roster. Carpool if possible. Let's keep her neighbors friendly.

Block of the Month

Intraguild BOM by Kate Weber

Hourglass Quilt Block - Due at the **OCTOBER** guild meeting.

Jo Melis drafted this basic block for the Hourglass Express quilt (pattern on page 5).

Materials:

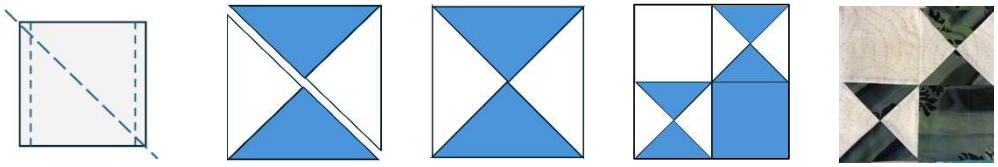

Fabrics should be contrasting and complementary

Fabric light	2 at 4½" square and 1 at 5½" square
Fabric color	2 at 4½" square and 1 at 5½" square

Sew:

Hourglass Units - This is easy and fast!

Take one 4½" color and one 4½" light square, put right sides together, and sew down just 2 opposite sides. Cut once diagonally. Open out, place right sides together, and sew along the long seam. Press and trim as needed to 5 ½".

Use the remaining 5½" square to make blocks as shown. Watch the orientation of the hourglass units!

At September's Open Sew, Jody made four of these. Pretty spectacular! The finished four are 20" square.

Pine Tree - Due at the **November** guild meeting.

This is a basic 16-patch made of squares and Half Square Triangles (HSTs).

Raw edge size of finished block is 10 ½" square.

Materials:

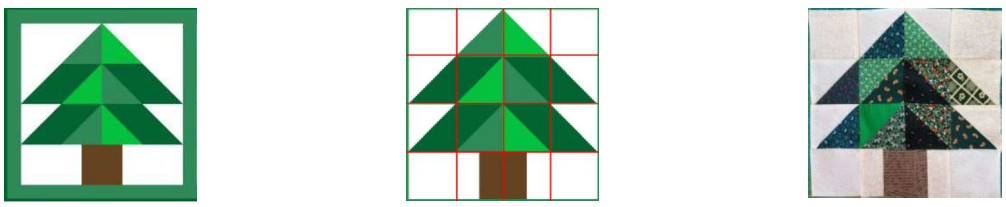

White/background fabric	4 at 3" square
	1 at 3" x 3½" rectangle
	3 at 3½" square
Green fabrics, various	7 at 3½" square
Brown	1 at 3" square

Make 6 HSTs using 3 white and 3 green 3½" squares. Trim to 3".

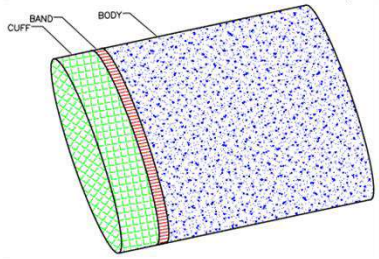

Make 4 HSTs using 6 various green 3½" squares. Trim to 3".

Tree trunk: Cut the white rectangle in half and sew the brown square between the two halves. Trim to 3" x 5 ½".

Assemble as shown.

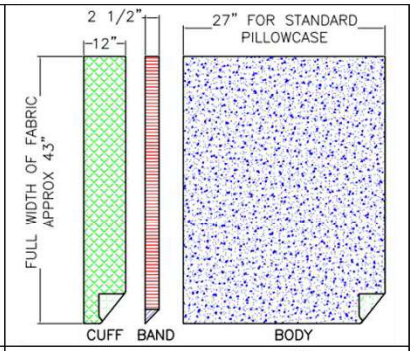

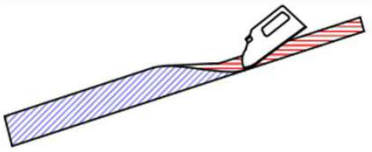

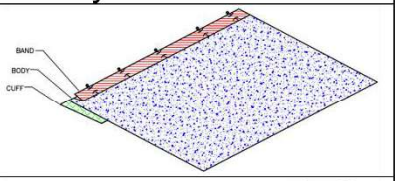

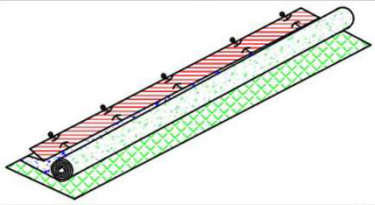

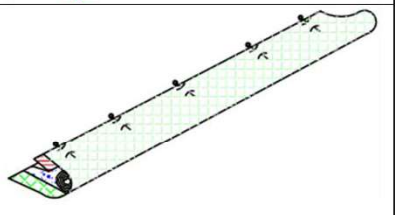

Pillowcase instructions by Patti Paschall

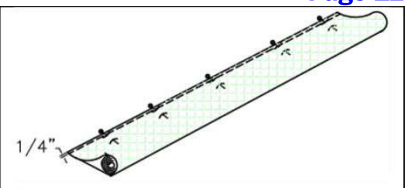

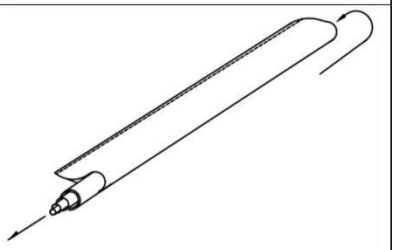

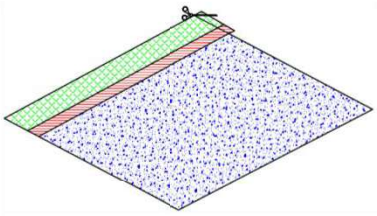

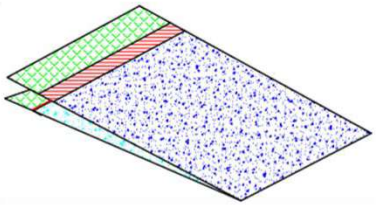

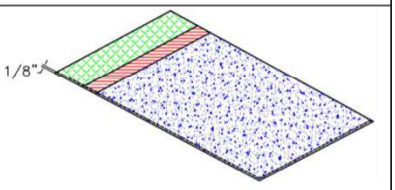

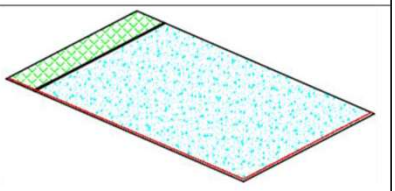

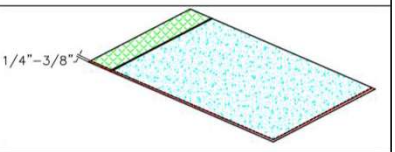

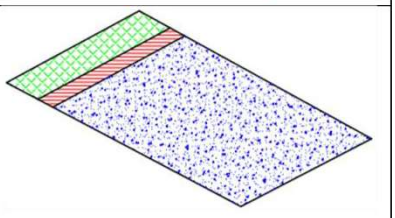

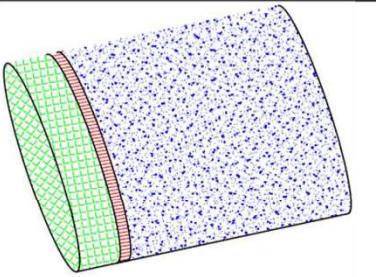

Please note that these pictures were found on the internet. The person who posted them uses 12" of fabric for the cuff, 2 1/2" for the band, and 27" for the body of the pillowcase. We use different measurements, so please disregard the fabric measurements in the pictures.

Material Requirements:

For the Body	27" by WOF (width of fabric)
For the Cuff	9" by WOF
For the Band	3" by WOF

Cut the fabric to the size indicated in the **Material Requirements** above.	
Press the band piece in half lengthwise, wrong sides together.	
Attach the band: Open band, align one raw edge with the top raw edge of the body Stitch band in place, just a hair to the right of the pressed fold. Refold the band so that both raw edges are aligned with the top of the body.	
Lay and pin fabric together as follows, aligning raw edges: Cuff right side up Body right side up with the band showing	
Roll the body from bottom to halfway up the cuff (or fold the body any way you want, just so you can bring the cuff up over the body)	
Roll the cuff around the body (the body will be encased inside the cuff) and pin the cuff's raw edge to all the other raw edges. Pin all layers together, making sure you don't catch the rolled/folded portion of the body.	

Sew a 1/4" seam along the raw edges. Hint: A walking foot makes this step easier.	
Pull the body out of the cuff, causing the entire cuff to flip right side out.	
Press flat. Fold in half **WRONG SIDES TOGETHER** (aligning the cuff and band edges) and trim the selvedges to straighten sides. Note: the picture has you trim edges first, but then you must do them one at a time instead of one cut for both.	 
Sew a 1/4" seam (yes, the picture says 1/8") down the open side and along the bottom. Trim seam to 1/8" inch with either a pinking blade (best option) or a straight blade.	
Press (optional, but makes turning easier). Turn the wrong side out. Push out all corners and Press (again).	
Sew a 1/4" - 3/8" seam down the same side and along the bottom, being careful to encase the previous seam.	
Turn the right side out. Push out all corners and Press.	
You are done - Wonderful.
